

Original Lyrics
by Weston Thompson

Notation

“ . ” A dot accounts for a measure bar, with space on both sides of it.

If there are pickup notes, there will be a dot before the first lyric.

Punctuation may be omitted within the lyrics.

“//” A double bar ends the lyrics.

The heading notes the song's time signature. It signals the number of beats in the measure, and the value signifying one beat. 4/4, 3/4, 6/8, etc.

Autumn Leaves

Music by Joseph Kosma

4/4 • Once through form.

. A feeble . spark .
Ember to . flame .
You left me . charred .
I've you to . blame .

That free form . fall .
That jazz horns . frame .
Is . like the . autumn . leaves .

But on the . sunset coast .
Where palm trees . sway .
The only . things that fall .
Are sun and . waves .

And the . sunset doesn't . make a splash
As . day fades .
Just . like the . autumn . leaves . //

Blue Monk

Music by Thelonious Monk

4/4 • 2 verses.

Up in the sky .
Way up high .
Jazz on wings to fly
With Blue Monk . oh yeah .

Bird or a plane? .
Hard to explain .
Jazz will do it best
With Blue Monk .

Halfway to . space now .
Up above what we're doing here .
Up in the Theloni- . ous sphere .

Above the clouds .
Growing so loud .
Jazz ain't coming down
It's Blue Monk . you know .

With Bird or Trane .
Making it rain .
Jazz is at its best
With Blue Monk .

At heaven's . gates now .
Up above what we're doin' here .
Up in the Theloni- . ous sphere. //

A Remark You Made

Music by Joe Zawinul

4/4 • Lyrics follow the melody when
led by Jaco on bass.

A remark you made
Is . coming back to me again
Some- . times the thing you said
Beck- . ons .

And some friends
They . leave a piece of . them
With us
A- . long the way that stays
Even still .

And even still, the window
That . o'er the sill the wind blows
We . see a kite aloft
Afar held . tight .

A remark you made
Is . coming back to me again
Some- . times the thing you said
Re- . minds me of a long lost friend

And . a remark she made
Is . coming back to me again
Some- . times the thing she said
Re- . minds me of a long lost friend

And . a remark was made . //
